Tender call amendment notice

The contracting authority announces the following amendments to the tender call for the **Development of the EJA Online Platform**.

1. Ceiling Value Announcement

To promote transparency and ensure fair competition, a ceiling value has been established for this tender. The maximum available budget is **18,820.00 Euro**, excluding VAT. Proposals exceeding this ceiling value (excluding VAT) will be deemed ineligible.

2. Extension of Submission Deadline

To allow sufficient time for bidders to adapt their proposals in light of this amendment, the submission deadline has been extended. The revised deadline for tender submissions is: **23:59, January 31st, 2025 EST**.

Additional Information

All other terms and conditions of the tender call remain unchanged.

Interested parties are advised to review the updated tender dossier, available at:
